1 | OUR FOOTPRINT

2 | ABOUT THE COMPANY

WHO WE ARE

Innovative technology is our business.

Through certified partnerships with some of the world's leading technology manufacturers, Pergamon Group offers a robust selection of innovative technology solutions for homes and businesses in Africa.

With more than a decade experience in managing cutting edge technology, we ensure we provide you with offerings that not only meet your needs but also consistently keep you ahead of the pack.

OUR HISTORY

Pergamon Group started as a small enterprise supplying computer accessories in Nairobi. The company has grown to provide a wide variety of innovative technology solutions ranging from point of sale, fiscal, security and renewable energy for homes and businesses in Africa.

The company has also increased her presence in various locations in Kenya and currently has regional footprint in, Tanzania, Rwanda and Zambia. Having serviced over 500, 000 businesses within these markets, Pergamon group has emerged as a leading technology provider in East Africa.

Over the next decade, Pergamon Group is looking to increase her footprint and increase her offerings so as to provide more cutting edge technology solutions that will create a better Africa.
